Kay was predeceased by her loving husband of 59 years, Earl, and sister, Opal. Kay lost her father and sister at a young age and left her beloved Magdalen Islands to join her mother and attend high school in Truro. She met and married her husband, giving birth to their first child on her birthday. She gave birth to another child on her mother's birthday and another child on her aunt's birthday and Christmas Day. After the children entered school, Kay had many jobs, including at Dockyard Credit Union and Environment Canada. Kay and Earl enjoyed travelling and motored across Canada, southern and eastern United States and travelled back to the British Isles, France, Germany, Switzerland, Italy and Austria. They spent many happy years at the cottage they built on Millet Lake, Chester Grant. She enjoyed quilting, crocheting, reading, and cooking for family gatherings. Her greatest joy was spending time with her family and she was always happy to share her love and wisdom with her grandchildren. She was a generous and kind lady. One of her many gifts was teaching her family to be loving, strong and giving to community and friends. Special thanks to her son, Greg, who cared for her so lovingly and Dr. Alzrighe. A family service will be held at a later date, with interment at St. Peters by-the-Sea Anglican Church, Magdalen Islands. In lieu of flowers, donations can be made to the Alzheimer's Society of Nova Scotia, Canadian Cancer Society or St. Peter's by-the-Sea Anglican Church, Old Harry, Magdalen Islands.
