COHEN, Shirley (née Gold)

On Wednesday, April 17, 2013 we lost the shining light of our lives. Cherished wife and best friend of the late Montroy Cohen for fifty-eight years. Mourning her loss are her children Lissa Cohen and Robert Baum, Brian Cohen and Avi Marcovitch, and her grandson Jeremy Baum. Treasured sister and sister-in-law of Vivien and Harry Monn. Daughter of the late Mae and the late Max Gold. Lifelong best friend of Eileen Marcus, and Rita Pearson. Beautiful, charismatic and full of life, Shirley will be fondly remembered by all. Her unique style and vibrant personality will live on in our hearts and minds. The family wishes to acknowledge the thoughtful care and attention shown to our mother by Dr. Michael Dworkind of Palliative Care at the Jewish General Hospital. Heartfelt thanks to Carol Béluse of NovaCare. We are forever indebted to Trudy Sztasi for her love and devotion to Shirley and Montroy for thirty-four years.
